the President's *P*message

Serving as your President for multiple terms has created many happy memories for me. Topmost of good memories would be the friends I have made during this period of time. These friendships developed while working together toward common goals. Such friendships will remain forever and I am delighted to have them.

I also feel good about all the services our club has provided to our community. Hunt Elementary and Northwest Broward Library stand out as examples of our continuing service. The holiday jewelry parties and the Dr. Seuss' event at the library were super great. And let's not forget all the afghans and cards donated to Tamarac Rehabilitation.

Our programs were varied and interesting. We had speakers from outside and within our club. And the hands on activities were very special. I really think that bees are no longer threatened due to the special attention we gave them.

And didn't we have fun at our many fundraisers? Tea parties, fashion shows, seaside settings...all such good memories. The food and decorations were outstanding...and we brought in many, many dollars!

We won many awards at the state conventions for being an outstanding club. We had several members serve at the district and state levels.

We were **GOOD!**

We have lost many members, to relocations and death. But these women will never be forgotten.

They will always be **FCM's, Forever CSWC Members!**

And so...we must endure. Let's make a promise to one another that we will continue the friendships, continue the good works and...

ENJOY LIFE.

As we end our club year, the crafts at the library will continue. We have Mother's Day coming up, Book Fest, and then jewelry making. Attendance has been down from last year. I hope to see more children attending in the coming months.

June 1st is Book Fest at the library. Our library is expecting between 3,000 to 4,000 attendees to celebrate the beginning of summer. Our club is having a table working with beads. I encourage anyone that can volunteer their time from 10:30 to 3:30pm please contact me. Other clubs in the area such as Garden Club and Craft Guild will also be having their own craft.

DOMESTIC VIOLENCE

I had a table at the library during the month of April which is **Child Abuse Prevention Month**. I passed out pinwheels, materials to read, necklaces and pins. The last time we featured Child Abuse Prevention Month was at Orchid Park. It is unfortunate that this violence is still occurring in our society.

CIVIC ENGAGEMENT

Hayla sends her regards from the pastures of the Midwest. Hayla's funds went towards the Blast Off Jars.

GFWC CONVENTION

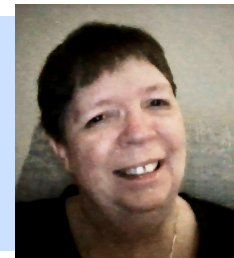

Helen Graham and I attended the convention the weekend of April 12th. This weekend was the installation of our new GFWC Florida President Sara Dessureau. This Florida President picks a charity to focus on for her two year term. Sara's project is Flight To Honor. She will be sending woman veterans to Washington DC as part of Honor Flight.

I would like to take this opportunity to congratulate Joan Kohl for winning **First Place, Best in Show and President's Choice** at convention. Her photograph of an egret is beautiful!

The final donation to Hunt Elementary has been delivered. In total, our club has donated 159 pairs of socks for students. That's equivalent to approximately \$300 worth of socks—great work! In addition, during this club year, we have contributed to the school's Harvest Food Drive (\$92 worth of food), and individual members have given art supplies, office supplies, books for both the first grade and the kindergarteners, as well as a book on diversity. Also, Carol Johnson and her helper elves

gave away gently used jewelry to the students at holiday time to give as presents. Finally, Nukhet Hendricks and Christine Dorman have had the joy of reading fairytales each Friday to kindergarteners. Thank you all for your support of the school and the Northwest Regional Library.

Have a happy and safe summer!

**Environment
Terri Inkley**

The year is almost over. Thank you to everyone that supported the Environment CSP projects by reducing your single use plastics, donating to our recycling effort by bringing your old athletic shoes, volunteering or donating to Everglades Angels Dog Rescue. **You are truly appreciated.**

We still have a few things left to do.

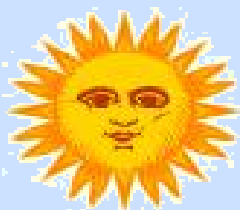

[Earth Fest](#) in Coral Springs is celebrating Earth Day and Arbor Day at the Sawgrass Nature Center on Saturday April 27th. From 9 to Noon. Coral Springs residents will receive a free plant.

Artist Exhibit at the Coral Springs Center for the Arts is featuring the photos of Scott Schneider. Photos are of the Natural World and uses recycled items in photos.

Please let Terri know if you would like to go. Date to be determined. Exhibit is open Tues-Saturday through July 20. Admission is Free. Lunch or happy hour after is possible.

Enjoy your summer!
